# Getting started with The Freedom In Christ Approach

It's not as if we don't already have fruitful disciples in our churches. Just not enough! This day will equip you to help every Christian grow to maturity and bear fruit that will last. First we'll establish a foundation of key Biblical principles. Then we'll look at practical ways to implement them using the award-winning Freedom In Christ Discipleship Course that is now available in Malaysia for the first time. Written by best-selling author Dr Neil T. Anderson and Steve Goss, Freedom In Christ's International Director, the course has been used by over 200,000 people and 4,000 churches in the UK.

## Topics covered include:

- Helping every Christian mature and become fruitful much faster
- Why many Christians do not know what they already have
- Equipping people to win the spiritual battle and stand firm
- Helping others assume responsibility for their walk with God
- Why we can expect every Christian (no matter how badly "messed up") to become a fruitful disciple
- Introduction to taking people through The Steps To Freedom In Christ to resolve personal and spiritual conflicts
- Tips for running the Freedom In Christ Discipleship Course and Freedom In Christ For Young People
- Running the courses after introductory courses such as Alpha
