Dear Members and Worshippers of Wesley Methodist Church, Klang,

Greetings in the precious name of our Lord and Savior, Jesus Christ.

As we are all aware, the state of Selangor entered into Conditional Movement Control Order (CMCO) on the 5<sup>th</sup> of March. We are thankful that the total number of Covid-19 new cases are declining, and we continue to pray earnestly that these numbers will continue to decrease steadily.

We are still awaiting directives from the Selangor State Government on the SOPS. However, the Council of Churches in Malaysia (CCM) has issued an advisory, advising that churches located in Red Zones to be remained closed.

Although the state of Selangor has entered into CMCO, most of the districts in Selangor are still under the Red zone. This includes the district of Klang where our church is located. As such, I, together with the leadership of Wesley Methodist Church, Klang have decided to continue having our worship services **livestreamed or pre-recorded** for the time being. We will continue to monitor the situation and keep all of you updated.

Please do not hesitate to give me a call if you have any enquiries. Your patience in this matter is very much appreciated and let us together do all that we can to help combat the spread of the Covid-19 virus.

Thank you.

In Christ's love,  
Rev. Gaurri Maniam
