### Wesley Klang Pledged – RM94,800

(January to December 2023)

And how are they to preach *unless they are sent*? As it is written, 'How beautiful are the feet of those who preach the good news!'

([Romans 10:15](#)).

Healthy **Going** cannot happen without **holistic Sending**.

Sending is more than financially supporting a missionary or praying for them, although both of those things are a part of it.

**Sending missionaries is about investing in the ministry and overall well-being of the sent-one as a regular part of your everyday life.** You'll find that it not only blesses them but also you.

REMINDER - Matthew 9: 37 - 38

The Tasks Remaining ...

• Over 7,000 Unreached People Group in the World

• Over 70 Unreached People Group in Malaysia

Who will respond to  
His calling to GO .... ?

**Mission** is NOT a SOLO journey or  
a one-time off event!

**Mission** is a TEAMWORK journey and  
ongoing until **Matthew 24:14**  
is fulfilled!

I would like to follow God's mission paths and respond to His call;  
here is my response:

- I am willing to explore the possibility to join the Missions Department, please get in touch with me.
- I am willing to cultivate the lifestyle of a Global Christian... one habit at a time.
- to **PRAY** for Unreached People Groups; will incorporate prayer for the nations into my mealtime prayer!
- to **WELCOME** Unreached People Groups in Malaysia; Pray that God would lead you to see the foreigners and the unreached around you.

to **GO SERVE** among Unreached People Groups in Malaysia (especially the OA); Consider joining one of our church's outreaches for a vision trip and allow our Lord to open my eyes and heart to see the needs of the unreached people groups.

to **SEND MISSIONARIES** among Unreached People Groups; I will consider pledging and giving to the projects our church identified.

to **MOBILIZE OTHERS** to Unreached People Groups; Re-educate me about the biblical, historical, cultural, and strategic foundations of missions; I would like to attend a course about the mission, please help me.
